PARITICIPANTS: 30 cadets

Venue: VIZIANAGARAM

Event Report:

The International Day Against Drug Abuse and Illicit Trafficking was observed on 26 June to raise awareness about the harmful effects of drug use and illegal drug trafficking. This year's theme, "Drug Addiction is a Family Disease," highlighted how addiction affects not just the user but the entire family's emotional, social, and financial well-being.

A police officer delivered an awareness talk on drug abuse, its impact on families, and laws related to drug trafficking. Students participated actively in discussions and understood the importance of staying drug-free. A pledge was taken by all participants to say no to drugs and create awareness in their communities.

The program successfully motivated students to lead a healthy lifestyle and support efforts to build a drug-free society.
