SITAM Hosts PROMPTATHON–YUVA 2026 AI Hackathon

Vizianagaram, September 9, 2026:

Satya Institute of Technology and Management (SITAM), Vizianagaram, hosted PROMPTATHON–YUVA 2026, an Inter-College AI Hackathon, organized by Rotary Club Vizianagaram Central as part of YUVA 2026 Youth Service Month Celebrations.

With the theme “Think Smart, Build Art!”, the event encouraged students to develop AI-based solutions for real-world challenges in Education, Employment, Entrepreneurship, Citizen Services, Public Life and Women’s Safety. The programme included expert learning, ideation, solution building, submission and pitching, with a ₹10,000 prize pool for winners.

Sri Majji Sashibhushan Rao, Director, SITAM, said, “PROMPTATHON inspires students to turn innovative ideas into practical solutions.”

Naveen Kumar Polipalli, Data Scientist & Tech Coordinator, said, “The event encourages students to apply AI and Data Science to solve real-world challenges.”

Dr. D. V. Rama Murthy, Principal, SITAM, said, “The hackathon strengthens students’ AI skills, teamwork and innovative thinking.”

Dr. G. Venumadhava Rao, HoD, said, “Students can apply their AI and coding knowledge to meaningful real-world problems.”

K. Rajsanthosh Kumar, CODEXA Faculty Coordinator, said, “PROMPTATHON gives students an opportunity to ideate, build and pitch innovative AI solutions.”

Rotary coordinators Rtn. Natraj, Rtn. Jagadish Boggu, Rtn. Sai Kumar Kattamuri, Rtn. Saranya, Rtn. Balu, Rtn. Swaroop and Rtn. Shilpa extended their support in coordinating the event.

The organizers appreciated the enthusiastic participation of students and highlighted the spirit of “One Day. Big Ideas. Real Impact.”
